Church to See Performance of C. Fry's Play

The Bishop's Company presents Christopher Fry's "The Boy With A Cart" Friday night 7 o'clock in Waleria at the site of the partially constructed Community Methodist Church on Newton St. at Ward St. It will mark the first time this type of narrative drama will be presented in this area. "The Boy With A Cart" is the story of building a church to the glory of God and is peculiarly appropriate to the church building program of the Methodist Church now going on.

National Recognition
Since its inception The Bishop's Company has gained national recognition. It is sponsored by Bishop Gerald Kennedy and has as Advisory Chairman Rev. T. H. Palmquist. The cast is made up of experienced actors from the fields of USO, radio, television, legitimate stage, and University Drama sections. The play will be presented in the open, under the stars in the most rustic of settings. Benches will be provided though patrons may bring their own camp chairs if they wish to do so. Rev. Gene M. Gehres is the Pastor of the Waleria Methodist Church and now is conducting regular services in the Recreation Hall of Waleria Park, while the new church is being built.

Committees
On two committees named are: Ushers, Jack Tinkle, Tom Kirk, Kenneth Pierson, Bob Payne, Willard Bowen, John Monaghan, Ray Taber, Dick DeMott; Properties, Edwin Grogan, Frank Tenney, Ronald LeMaster, Norman Kuska, Bill Burgener, Bud Hagan, John Chaudano, Eugene Anderson, Wesley Crocherson.

Friends are asked to support this new kind of ministry. As a gesture of good will patrons may buy tickets for one dollar and place them in the free will collection to be taken at the performance for the benefit of the visiting company and the church building program. Call FRontier 5-2855 or FRontier 5-6545 for further information.

Christian Church Starts Building

Members of the First Christian Church began construction on a \$108,000 church project last week, according to Mrs. B. L. Easley, press chairman.

Eventually the construction project will include a Sunday school, social hall, and sanctuary, all located at 2930 El Dorado.

The children's Sunday school is first to be under construction. Only two men have been hired to work on the church. The rest of the work is being done strictly by volunteers from the congregation. During the last week 18 different people put in 200 hours in six days. The foundation for the Sunday school has already been laid.

Members of the building committee are: Howard Foster, chairman; Mrs. Luther Mumford, Mrs. William Kuchs, Fred Lincoln, and Burke Moseley.

Gamble Construction Company of Long Beach oversees the whole project but permits the church members to do as much of the work as they can.

O death, where is thy sting?
O grave, where is thy victory?
